### **USER REPORT**

Sofia Patrikiou , ( individual naturopath ) has been using the complex Dianel Pro "22S- ION date 24.9.2013

I m engaged in **alternative medicine, naturopathy, indication of nutritional supplements, acupuncture, bioresonance testing**

I m practicing on homoeopathy, and flower essence medicine, and also nutritional supplements , Heels, and Schuessler tissue salts, oligomental, organotherapy , having a degree from a private school alternative therapies specifically homeopathy.

During the operation of Dianel Pro- 22S- ION from date 24.9.2013 up to 24.9.2014 , were tested about 30 patients with the device/ tests were performed , by paying 60 € each time .

By using this program, using this program I have an extra help in the exploration of similar remedy for my patient in homeopathy, and nutritional supplements he need to complete healing, Flower Remedies, heels, organotherapy. Schuessler tissue salts using diagnostic tools before all- Most patients, I have seen, have problems with stomach, liver, mental disorders .

In fact , I m still practicing to learn about diagnoses, using the possibilities of this program, but this could be usefull for me only to choose the type of therapy .Also recently I started trying bioresonance therapies.

Indeed, the treatments chosen for patients examined by the program had very good weather.

I love working with this program, because it makes me feel safer for the best outcome of my work, the people are very impressed by it, I get important ideas, and learn more and more things about healings.

But, on Part of homeopathy, I would rather there were more homeopathic selection list, especially those representing the miasm homeopathic medicines. Also I d rather to have to choose within fewers ones !!!!! Also, I d rather to have Obvious suggestions for the best choice.
