D. The benefits of working with Complex Dianel.

1. Improve the quality of diagnostic.
2. Helping to cure the serious cases that seems difficult in the past.
3. Pointing the medications.
4. Indicate the allergents and contaminants which help in patients individual programs.

E. The positive aspects in the work of the complex.

1. Friendly features with ligh weight carrying, easy for moblie clinic use.
2. More pateints anticipation during a medical examination.

F. Specify the deficiencies identified in the complex or the software.
-Nil-

G. Comments and suggestions to improve the operation of the device and software,

1. Need advanced training time to time to update knowledge and know how.
2. Need more functions in Homeopathic use.
3. Need more functions in **Print Format**, able to save patients data in Word files, easy to send by e-mails, instead of direct printing only.

I am satisfy and have no doube to introduce **Dianel S 22-ion** to whoever in need of the device.
